

April 10, 2017 – April 14, 2017

Our current unit of inquiry is under the theme *How the world works* and our central idea is *There are cycles and changes in our world.*

Last week we were learning about oviparous animals and read "Chickens Aren't the Only Ones" by Ruth Heller. This week we are focusing on eggs and Easter and all things hoppy!

Thank you to those who have found and photographed some changes in the spring environment. Please keep those pictures coming to school!

**April Book orders** are due back to school by **April 13**. Please make cheques payable to Scholastic Canada. Thank you again for supporting this program! I was able to order \$100 worth of books for our classroom with the bonus coupons earned by your orders.

**School will be dismissed at 11:50 a.m. on Thursday, April 13** in anticipation of the Easter Holiday Break. Wishing everyone a safe and happy holiday!
