

A note from
Mrs. Lederer
December 12, 2016
No Kinder Friday this week!

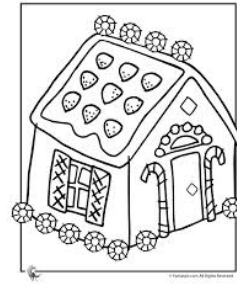

Congratulations to all the Kinders for their fabulous performance at our Christmas Musical concert last Thursday night. Everyone looked adorable in their t-shirts and bling! If you have a picture or two, please email it to me!

Please **read, sign and return the Learner Profile/report card folder and envelope.** And, should you have any questions or concerns, please contact me.

The weather is a bit warmer this week and we appreciate all those labeled hats, mitts, and snow pants that keep us warm. Thanks for sending all of it to school!

The children will be decorating gingerbread houses on next Friday morning. Thank you for donating your Halloween candy, as this will be recycled during this project!

Hope you heard about our runaway Gingerbread cookie! When we went to get it out of the oven, it was gone! He was waiting for us in the classroom and we ate him up. We have been listening and comparing many different versions of the Gingerbread story – ask your child what is his or her favourite one.

The whole school community will be singing **Christmas Carols** in the gym beginning **Monday, December 19.** Please consider joining us from 8:30 a.m.– 9:00 a.m. each day until December 23. You're bound to get in a festive mood!
