

**February 27 – March 3, 2017
No Kinder Friday this week!**

We are finishing up our unit on family and friends and our next unit of inquiry is under the theme, *How we express ourselves*. We will be inquiring into how artists use colour, line, and shape to express feelings.

The children will share a few activities related to both of these units with you at our Learning Conferences on **Thursday, March 2**. You are invited to join your child at school to celebrate and share the learning activities that we've been engaged in over the last term. Please see the link on the front page of the Millarville Messenger to book a time!

March orders are due back to school by **March 16**. Please make cheques payable to Scholastic Canada.

As mentioned last week, we are changing up our Take Home Reading bags. Please check your child's bag to find a letter, a journal, and a little book. When you and your child have read the book and done a little recording in the journal, please place both in the purple bag and return to school for re-stocking!

Thursday, March 2 – Learning Conferences
Thursday, March 16 – Spring Round Up

The Spring Round Up is a semi-annual school fundraiser and the Kinders will be running a game called the Fishing Pond. If you have any small, gently used, clean toys that you could donate as prizes, please send them our way!. If you think about the toys or prizes in a McDonald's Happy Meal, that is exactly what we are looking for! And we will be looking for some kind parents to help us run the game on the night of the Round Up. More info about that next week!
