

January 16 – January 20, 2017
Kinder Friday this week!

Unit of inquiry
Where we are in place and time
People learn about relationships
from families and friends

Thank you for returning the family tree page. We will look at these and use the information to draw family portraits.

In math related to this unit, we are looking at the numbers from 1 – 10 in different ways. We started by asking the question, “**What do you know about the number 1?**” For each number, we will build an information chart together and the children will make a visual journal page for each number in their unit of inquiry books.

In the past, children have said things like, “we have one Earth and one sun and one Millarville School” or, as we move forward, “I have five letters in my name”.

So, this week, would you please complete the attached “numbers in our house” sheet and return to school?!

Family Literacy Week
January 23 – January 27

School Council Meeting
Tuesday, February 7

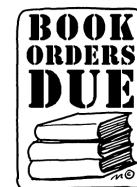

Valentine’s Day
Tuesday, February 14

50th Day of School
Thursday, February 16
