

January 23 – 27, 2017
No Kinder this Friday!

Unit of inquiry
Where we are in place and time
People learn from families and friends

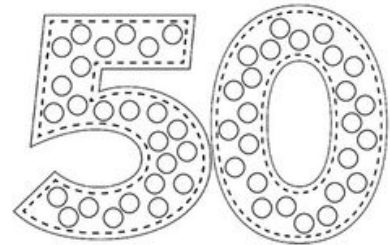

We will begin to generate personal questions we have about family and friendships. Last week we agreed that we learn about love and caring in both types of relationships! We have been sharing the numbers we found around our homes. We are looking for number connections to our families, friends, community, and the world around us during this work.

Our **Kinder Skating Party** was a great success! The ice was perfect and the weather cooperated. It was great to have our preschool friends come downstairs for hot chocolate too!

Thank you for your commitment to the weekly reading poems. We will be changing up our Take Home Reading bags after the February school break. More information to come!

fabulous days of school !

It's coming. . . . stay tuned!

STORYBOOK CHARACTER DAY

To celebrate Family Literacy Week this week, we are inviting students to come to school on **Thursday, January 26** dressed as their favourite **story book character**. All characters need to **bring the book to school** that has the character in it!

Thanks for your support!
