

March 20, 2017 – March 24, 2016
No school this Friday!

On **Thursday, March 30**, the Kinders are invited to come to school with their families from **6:30 p.m. to 7:30 p.m.** They will be sharing their artwork related to our current unit.

Last week we had a visit from Dr. Ingrid, our local veterinarian. She helped us answer a question about how animals communicate and we all practiced wagging our tails!

Thank you for your commitment to our Take Home reading program. Please place the journal and the book in the purple bag as you finish reading and return to school for re-stocking!

This seems impossible to believe, but attached please find the last three months of classroom volunteers! We have a few summer birthdays to celebrate in June.

Thank you all again for the wonderful support you give to me and the children!

If you haven't returned your child's report card/Learner Profile folder and envelope, would you please send it to school this week!

Thank you to everyone who kindly offered their help with the Fish Pond. We had 259 customers! That's a lot of "fish" and we really appreciate your generous support for the whole Round-Up!
