

May 1, 2017– May 5, 2017
NO Kinder Friday this week!

How the world works

Our Painted Lady Butterfly larvae are coming this week! We will watch these little creatures as they grow and change. We will be reading Eric Carle's book, *The Very Hungry Caterpillar*. They should be eating and growing lots this week as they bulk up for the next part of their life cycle.

As part of this unit, we will be heading to the **Calgary Zoo** on **Thursday, May 25**. This **all-day** field trip needs 4 parent volunteers to come along! Please email me asap if you can spend the whole day with us!

May Book orders are due back to school by **May 17**. Please make cheques payable to Scholastic Canada. Thank you again for your support of this program!

Track and Field Day is on **Thursday, May 11**. Please watch the weather forecast so we can dress appropriately!

Please join us on **Thursday, May 18 at 1:30 p.m.** to let us thank you for your support and help! The Kinders will be performing and there will be tea, coffee, and treats!
