NO Kinder Friday this week!

### How the world works

Our Painted Lady Butterfly larvae are getting much bigger. They are, indeed, big, fat caterpillars! Most have made their way to the top of their plastic vials and will soon begin the next stage of their life cycle. They form a “backwards J”. See if your child can tell you about this!

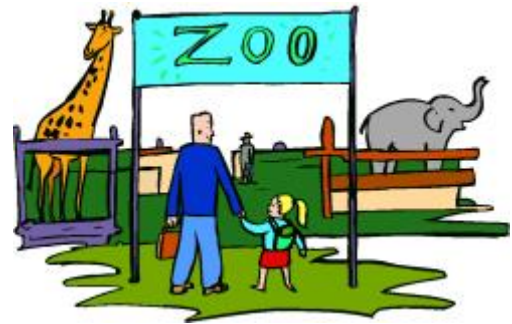

## Book Sale

The MCS Learning Commons is hosting a Used Book Sale over the next few weeks. All books are only a quarter!! Books can be purchased during recesses.

Please join us on **Thursday, May 18 at 1:30 p.m.** to let us thank you for your support and help! The Kinders will be performing and there will be tea, coffee, and treats! Childcare is also provided.

And speaking of volunteers (!), we **need 1 more parent** to come with us to the **Zoo on Thursday, May 25**. Please email me asap if you can come!!

Please **sign and return the consent form** to school by **Thursday, May 18**.

Thank you for your continued support of the take home reading books. I can see lots of transfer of our reading activities to our writing!
