

**A note from Mrs. Lederer  
November 21, 2016  
No Kinder Friday this week**

### **How we organize ourselves**

As we wrap up our unit, we will be playing the role of "community planners". This final assessment will have the children deciding which services and occupations they deem as most important for a new community they are planning. It will be interesting to see what jobs are in their "Top Five".

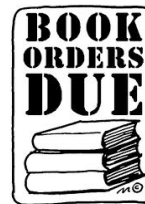

Our next field trip is to Heritage Park on **Thursday, December 1**. The consent form is attached and needs to be returned to school by **Tuesday, November 29**. We will be away from school for most of the day. We need two more volunteers to come with us – please email me if you can come.

This trip links our community and school inquiry to a school in the past. It also provides a kick off to our next unit of inquiry around families and friends.

We are going to performing as super Rockers for the Christmas show! All you need to find is a ball cap that can be worn backwards and a pair of jeans. We have t shirts and the bling – thanks to Mrs. Nutbrown!

Please have your **December order** in by **Friday, December 2**. December book orders have a super short turn around so the goodies get here before the break!

Thank you for sending all those warm, labeled clothing and working on those zippers! We've had a warmish November, but if the weather is -20C (or colder) with a wind chill, we keep the children indoors for recesses. Otherwise, we go outside.

### **Purdy's Orders are due next week!**

Here's a link to support this fundraiser! To order online please go to: [www.purdysgpp.com](http://www.purdysgpp.com) and create an account under the group **25443**.
