

A note from
Mrs. Lederer
October 10, 2016
NO Kinder Friday this week!

This week will see us moving into our next unit of inquiry. Here is what will be guiding our work over the next few weeks.

Transdisciplinary Theme: How we organize ourselves

Central Idea: People in our neighbourhood contribute to its function

Lines of inquiry:

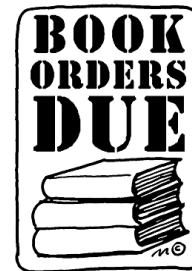

- similarities and differences in communities
- needs of a community, specifically our school

We will be interviewing people who work in our school as well as finding out about the services in our community. This unit also ties into Fire Safety month and learning about Emergency Response services. We will head out on a local field trip to the RCMP detachment next week – **consent letter is attached!** We will **need 2 volunteers** to come with us. Please email me if you can join us.

We are also looking for some parents to come in and tell us about their jobs – let me know if you would like to come in and do a little “show and tell”!

Thank you for your kind support of our food drive!

October Book Orders are due back to school by **October 18!**

Later this week, In your child's purple bag, you will find a duo tang with a letter and a poem to read together. Each week, your child will get a new poem to share. These poems are used to support the literacy skills we are working on at school. Please enjoy your reading time together.
