NO Kinder Friday this week

Welcome to Kindergarten!

Our weekly newsletter will go into your child's **purple bag** each Tuesday as well being posted on our class website later in the day. Please use your child's purple bag for notes or letters. I am apologizing in advance for the "paper blizzard" that will be coming in the next few days. . .

Meet the Teacher Night is Tuesday, September 6. Please come by at **6:00 p.m.** and have a look at the classroom. Please stay and join us for our **School Council meeting** at **7:00 p.m.**, in the Learning Commons.

The **Millarville Messenger** is a bi-monthly school publication that gives you an overview of what's happening at our school and in our community. This year's first edition will be available on the MCS website next Tuesday. Here is the link to our school website:

Our first Primary Years Programme (PYP) unit is under the PYP theme, **Who We Are**.

We will be inquiring into how people change over time. We begin this unit in September and re-visit it again in May – has anything or anyone changed?!

Please watch for a letter later next week that describes our first parent-supported project.

Forget-Me-Not Pond Field Trip

Thursday, September 22

The consent forms for the above field trips are in your child's purple bag. All field trip consent forms must be returned by **Tuesday, September 13**.

We can no longer accept verbal consent for any field trips. All consent forms must be signed and returned to school at least two days before any event. And, all field trip consent forms will be available on the school website if you lose the one sent home.

Thank you so much for making our start up such a great success. Thank you for reading this whole newsletter!

Your children are lovely and I'm looking forward to a wonderful year together. Please do not hesitate to call or email with any questions or concerns you may have.
