### **Who we are**

This week, the children will begin investigating their names. Each child is asked to find out some information about the meaning behind his/her name as well as why that name was chosen. The "name" form is attached. Please complete the information and return it to school by **Thursday, September 29**.

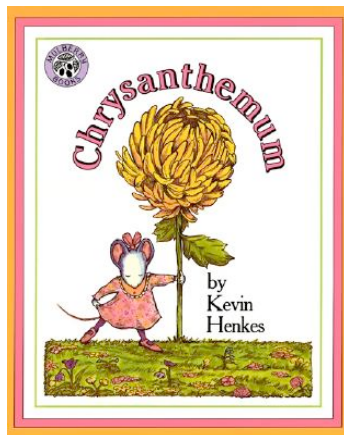

Here's a link to a couple of name websites – one serious, one, not so much!

At the site below, you can find your name if you decide to become a wrestler or a rapper.

My hippy name is Groovetrip Astralhaze.

We will be reading the Kevin Henkes book, *Chrysanthemum*, about a little girl with a big name.

Hope your child enjoyed making applesauce today. We talked a lot about how apples change when we leave them out in the air – hoping "oxidation" may be a word someone remembers tonight! Please read the "baby book" about apples together.

We will be traveling on **Thursday, September 22** with the rest of the school to Forget-Me-Not Pond. We will spend the day in the beautiful outdoors, moving through different stations. The weather forecast is calling for cool and damp weather, so please have your child have waterproof footwear, a hat, mitts, or gloves. **Please check your email on Tuesday night for any last minute changes to this plan!!**

**Hot Lunch** is available on **Tuesdays and Pizza Days are Thursdays**. Ordering is online! Please access this **website** to order for October.
