

**A note from
Mrs. Lederer**

**September 6, 2016
No Kinder Friday this week**

**Who We Are
People change over time**

Attached please find a letter explaining our **Autobiography Poster Project**. Also please find the **Volunteer Calendars** for September, October, and November. Your child's poster will be shared on **your first volunteer day**.

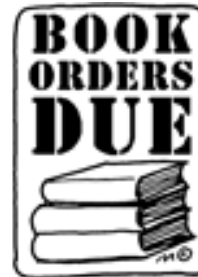

We need the most help in the afternoon, from **12:30 p.m. until home time**. If you have any concerns or if you need clarification, please email me! More information about our volunteer schedule is on the back of this newsletter.

Library Day is Thursday

The children will visit the Learning Commons each week and will bring home a book to share. Thank you for taking extra care with these special books.

As mentioned in the Kinder Handbook, we will be celebrating birthdays in our classroom. If you would like to send an edible treat to celebrate your child's special day, would you please send a **nut-free snack**. We do have children in our class with food allergies and special dietary requirements, so your thoughtfulness is appreciated. Alternate, non-food treats are also very welcome!

September orders are due back to school **Thursday, September 15**. Please make cheques payable to Scholastic Book Club – **no cash please!**

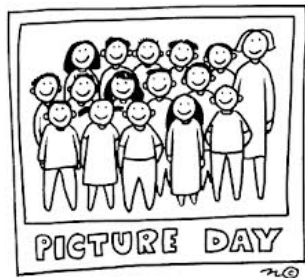

Meet the Teacher Night is TONIGHT

5:30 p.m. in the classroom
7:00 School Council meeting
All are welcome!

The **Millarville Messenger** is a bi-monthly publication that gives you an overview of what's happening at our school and in our community. It is also posted on the school website. And don't forget to check our class page too!

Tuesday, September 20 is our picture day!

The MCS Terry Fox Run

Our annual **Terry Fox Run** is scheduled for **Friday, September 16** in the morning. Parents are welcome to join us as we walk a 2 km loop around Millarville Ridge. Siblings in strollers may prove challenging, as we use the cut line trail to come back to school. We will be collecting "Toonies for Terry" to show our support for this very worthy cause.

Did anyone grow **sunflowers** this summer – and, if so, would you like to donate a couple of seed heads to our science discovery centre? Please let me know!

Apple Day

To celebrate the change of seasons, the children are invited to bring an apple to school on **Tuesday, September 20**. Any flavor, any size!

Attached please find the **Volunteer Schedules** for September, October, and November. I'm also attaching the paper copy of our **class list**. This list is to be used for any switching of volunteer days within our class. If you are unable to come in on your scheduled day and time (**12:30 p.m. – 2:45 p.m.**), please use the list to make a switch with another parent. If that is still not working, please email me and we can always make other arrangements.

If there are any **changes** to the contact list, **please email me** and I'll amend it. Also, please let me know by the end of this week if you **do not** want your email and phone number published and distributed on a **paper** Class List. Our class list is a **private document** and is **not** to be shared. Thank you for respecting each other's privacy.

Thank you for your support!
