School Council

Our Millarville School Council will be meeting virtually on Tuesday September 8th. If you are interested in receiving School Council updates or would like to attend, please send an email

millarvilleschoolcouncil@gmail.com

to be placed on the mailout list. All parents and guardians are welcome to attend, and a link to the meeting will be posted on the school website the day of the meeting.

Fundraising

This month we have 2 fundraising events for the school – the first is our Apple Fundraiser through Davison Orchards. Information was sent home with your student this week and is posted on our school website. If you need additional order forms, please contact the school.

As well we are excited to be a part of the Alberta Highway Cleanup Program. We will have responsibility for cleaning an 11 km stretch along Highway 762 on September 19th. Please visit our school website to sign up.

Fundraising Opportunities

Welcome Back!

From all of us here at Millarville Community School, welcome to the 2020-2021 school year. We missed the students tremendously and couldn't be happier returning to face to face learning.

I am extremely proud of how well our opening week has gone. Our MCS Staff have worked tirelessly over the last two weeks to make sure that we had a successful re-entry into schools. Their work and dedication allowed us to greet students this week with the confidence that we were well prepared to keep students safe while still providing a welcoming educational experience. And were we ever thrilled to see all of the smiling faces – both kids and parents – as everyone experienced their first day back.

Thank you for all of the support you have given to the school through this strange and often difficult time. As well, thank you for all the preparation you have done with your children leading up to the first day. It seemed like the students already knew and were ready to follow all of the extra steps and procedures. As we continue, there may be adjustments to specifics of how things work, but every step of the way we will be in communication with our parent community. We want the students to have the best possible year, so as additional opportunities become available we will share those details.

On a more personal note, thank you for the warm welcome to the Millarville community. Even with all the uncertainty and changes for this year the students and parents have made it such an easy transition. We have an amazing school in an amazing community and I look forward to working with all of you to ensure that Millarville Community School continues to be the special place it is.

Sincerely,

Tim Hasiuk
