Week Two Update!

Week two at MCS has been a delight! The students have found our new protocols and safety measures easy to remember and carry out. Students have accustomed to the new norm brilliantly and now we are working on tightening the time taken for hand washing and staggered use of areas so that the day is flowing with more ease. We would like to thank the staff for all of their hard work in creating a safe and friendly learning environment. Thank you also to Randy, Tara and Dione for all their hard work of cleaning and sanitizing all surfaces many times during our school day. We would also like to take the opportunity to thank Miss Wendy and Miss Lisa for all of their work - keeping us organized for the new year. Thank you also to the parents for your continued support of learning at MCS.

We are excited to plan for this year's MCS Terry Fox Run. It will look slightly different than it has in the past but will honour the tradition set by Terry Fox for all Canadians over 40 years ago. Weather permitting, we will have our **Terry Fox Run on Friday, September 18th**. Toonies for Terry or Fivers for Fox can come in at anytime. All donations go to the Terry Fox Foundation.

Our International Baccalaureate word in focus this month is *inquirer*. We felt that as we inquire into our new learning environment, this is a perfect IB learner profile word to learn about. By our school definition "an inquirer is a person who develops their natural curiosity. They acquire the skills necessary to conduct inquiry and research and show independence in learning. They actively enjoy learning and this love of learning will be sustained throughout their lives." We are definitely all living a huge inquiry cycle right now.

With best regards and gratitude for the MCS community,

Karla Davis
